Lee & Becky Meyer, promoters along with their daughter Nele Meyer were present. President Randy Robbins had requested that Vice president Jim Peterson also attend this meeting.

President Randy Robbins called the meeting to order @ 7:19 p.m.

The 2007 Fair dates are July 19-22.

Lee Meyer presented a tentative 2007 Racing Schedule as follows:

March 30 – Chassis Challenge
April 7 – Enduro + test & Tune
April 11 – Start of Season
June 13- Mid year Deary Brothers
August 29 – End of Season

He proposed the following for July during the Fair:

Keeping his Wednesday night race + one (1) special on Saturday either an Enduro or Go-carts. Possible race on Thursday night dropping the mods & charging \$7.00 grandstands & \$20 pit pass.

Lee will check on the Enduro for the cost for the Fair board to have for entertainment.

Randy asked Lee if it were possible to have a 50/50 raffle every week during his season.

We discussed a fall demo around September 15,

Becky stated we need to check on replacing or fixing the main breaker on the west pole as they were still having problems with again last year. We will check with Larry Suter to see if he can check it out & give us an estimate of repairing or replacing.

It was brought to the attention of the new committee that the guardrail was damaged again during the demo & needed to be fixed before the new race season starts. Randy suggested we add a few more poles when we replace the guardrail... Also, if we have another demo we will use more tires to block that

area along with watering the area to keep the cars doing damage again.

Meeting adjourned @ 8:20 p.m.

Respectfully submitted,
